Hello Friends! As you know Medicare Annual Open Enrollment is just around the corner: October 15-December 7, 2016. Now is the time to make sure you are on the right Prescription Drug Plan or Medicare Advantage plan.

The pricing, benefits and formularies change from year to year so we recommend that you explore your options every year during this time. For your convenience I have included a form for you to complete and return to me so that I can look at options for you. Of course if you would like to discuss any details of your plan or any other plans like dental and vision please call anytime.

I would also like to encourage you to invite family and friends to contact us should they need to discuss health insurance options for 2017. Anyone under age 65 has Annual Open Enrollment November 1- January 31 for Metallic plans on and off the exchange. Thank you and I appreciate your business.

Warm Regards,

Jennifer Parks, NPN 1665507
